

French National School of Video Games and Digital Interactive Media

BIC FESTIVAL 2023

3 of Cnam-Enjmin's Games have been selected!

The 8th edition of the [Busan Indie Connect Festival](#), started in 2015, will take place from 25th to 27th August 2023 in Busan (South Korea).

3 games created at Cnam-Enjmin have been selected.

All of them are projects completed by first-year students on the Master's degree in Video Games and Digital Interactive Media programme (Cohort 19 / 2022-2024):

[Zagad](#)

[Cryptid Time](#)

[KBF - Knight Bar Fight](#)

Members of each team are going to make the journey to South Korea to promote their games and give people the opportunity to test them.

Congratulations to all teams for being selected!

Check back here at the end of August to see if one of games wins an award.

August 25, 2023
