Become an engineer !

If you wish to apply for this diploma, follow the procedure below and on the right!

Required level of studies

Students are recruited at bac+2 level.

The entry qualifications eligible for inclusion in the course are :

- 2nd year scientific degree
- DUT in computer science, electronics, networks, etc.
- Scientific preparatory classes

The selection of EICnam engineering students :

- application file
- placement tests : mathematics, english, general and scientific knowledge
- individual interview
- Commission ruling on the candidates' abilities (in the presence of the educational managers)

Recruitment sessions

The next recruitment day will take place on **Saturday 29 April 2023**.
You will have to choose one of these 4 places to take the written tests and the interview: Bègles (Bordeaux), Limoges, Niort or Poitiers

To participate in the Cnam Engineering School's recruitment day, you must :

1. [Download the file](#)
2. Return the completed form, including all supporting documents, by e-mail to : naq_eicnam@lecnam.net
3. Enter your registration on the Galao website : [lien vers Galao](#)
