Your human resources are your most strategic resource!

There's a price to pay for quality, in particular for courses and professional activities like ours, which involve state-of-the-art technology. That's why we are asking for your help so we can continue to develop. All you have to do is to allocate your apprenticeship tax to us - don't forget, you are free to choose the beneficiary!

Cnam-Enjmin: state-of-the-art technology

In order to preserve a **high-level of training**, we have to **regularly renew** our equipment and software.

Let's build together a more innovative and efficient school.

Since the creation of Cnam-Enjmin, you have worked hand-in-hand with us by welcoming trainees, taking part in our courses and giving your support to our new diplomas, such as the engineer in computing, science and technology for interactive media.

You can also help us by choosing to allocate your apprenticeship tax to Cnam-Enjin.

Thank you for your help and support!
