Videogame Workshops

Our workshops are the opportunity to attend high-level international conferences and get to meet key videogame industry players for free!

15th edition

Where: Angoulême

When: December 17-19, 2019

How: It is free to sign up

Exclusive get-togethers open to all comers

The aim of these workshops, in total some ten conferences, is to facilitate contacts between our students and both French and international videogame professionals.

For everyone intending to make a career in the game industry, these special moments are an opportunity to exchange with key industry experts and thereby benefit from their experience in both the creative and production sides of the profession.

The speakers do not only address specific technical or creative issues, they also evoke their careers and points of view on the profession and reflect upon the main issues and future evolutions in this sector of activity.
