

French National School of Video Games and Digital Interactive Media

AVENUE Summit

The first AVENUE Summit will take place at Cnam-Enjmin on Tuesday 2nd and Wednesday 3rd December 2025.

All of the project partners will make their way to Angoulême for the event (22 European organisations in total, including representatives from higher educational establishments, companies and associations).

The [AVENUE project](#) brings together 5 strong ecosystems throughout Europe (Animation, Video Games, VFX, Visual Storytelling and XR) in order to strengthen links between education, industry and innovation in the creative visual arts sector. The project lasts 4 years, from 2025 to 2029.

The project is coordinated by VIA University College (Denmark) and boasts participation from other members from across Europe: **Politecnico di Torino** (Italy), **Breda University of Applied Sciences** (The Netherlands), **Institute of Design, Art and Technology** (Ireland) and of course, **Cnam-Enjmin** (France).
