

French National School of Video Games and Digital Interactive Media

CAEN

Campus France Forum

On 4th and 5th June 2025, Campus France is organising its annual forum at the University of Caen Normandy, in partnership with the University of Caen and with the support of the urban community, Caen la mer. This national event brings together over **400 participants from 150 higher education and research establishments**, around one common goal: improve how international students are welcomed in France.

At the event, a partnership agreement will be signed between Campus France and the Normandy Region, with the aim of enhancing the region's appeal to international talent.

Cnam-Enjmin will be represented at the event by Fantine Amiel, International Operations Assistant.
