

French National School of Video Games and Digital Interactive Media

FIND US AT THE FANTASTIC PAVILION ON THE MARCHÉ DU FILM

Cnam-Enjmin at the Cannes Festival for the 3rd time!

Cnam-Enjmin has been invited, for the 3rd time, to present its students' video games at the [Fantastic Pavilion](#) on the [Marché du Film](#) at the [Cannes Festival](#).

Join us from 16th to 17th May to talk with our team and try out our **5 student games**:

[Yrei](#)
[They Make Sounds](#)
[Death of Internet](#)
[Akiya](#)
[Leaves of Memory](#)

On Saturday 16th May, [Aïda Del Solar](#), **Art and Creative Director at Cnam-Enjmin**, will lead a conference to present the school. Our students will also take part in the conference to give a glimpse of the games they have developed as part of their courses.

The **Fantastic Pavilion is a space dedicated to fantasy and genre films**. It is organised in partnership with the [Méliès International Festivals Federation \(MIFF\)](#), which brings together the main global events centred around these themes.
