DUAL-DEGREE PROJECT

Convention on Franco-Mexican Cooperation in Higher Education and Research

As part of the dual-degree project with [ITESM - Tecnológico de Monterrey](#), **Axel Buendia**, Director of Cnam-Enjmin, and **Indira Valdivia-Vizarreta**, Head of Corporate, Institutional and International Relations, will be at the Convention on Franco-Mexican Cooperation in Higher Education and Research (*Assises de la coopération franco-mexicaine de l'enseignement supérieur et de la recherche*). They will be taking part in the workshop *Fabrique des doubles diplômes*.

This convention offers a special space for dialogue, dedicated to reinforcing the cooperation between higher education and research institutions in both countries. The event gives a unique opportunity to shine a spotlight on how solid, diverse and dynamic our cooperation already is, and share future priorities of the cooperation.

The French and Mexican attendees will include presidents and directors of higher education and research institutions, and their international relations representative, as well as members from the academic and scientific community who are interested in strengthening the relationship between the two countries.
