International Evening

On the occasion of the [Erasmus Days](#) and as part of the [Angou'Mois Étudiant](#), Europe Direct of the Charente Departments ([Europe Direct des Charentes](#)), [Pôle Image Magelis](#) and Cnam-Enjmin are very happy to invite you to an International Evening Party.

It will take place on 13th October 2022 from 6pm to 8:30pm in Cnam-Enjmin's Nil Building.

The **Gabriel Fauré Music Conservatory of the GrandAngoulême Urban Area** has accepted our invitation, and the **jazz class** will do us the honour of performing a specially put-together repertoire for the occasion. 8 musicians will be performing.

This event is open to everyone: students, employees, authors... both French and international.

The aim is to facilitate their arrival and enable them to meet each other, create links with local residents, facilitate their integration and identify all the resources they need to live in Charente.

A great opportunity to speak foreign languages, take part in intercultural activities and share travel experiences and tips!

Free entry, registration required.
