2020 GAME DEVELOPERS CONFERENCE

People of the Moon chosen for Alt.Ctrl.GDC Showcase at the GDC!

People of the Moon is amongst the 20 games selected to participate in the [Alt.Ctrl.GDC Showcase](#) at the Game Developers Conference (GDC) which will be held in San Francisco from 16th to 20th March 2020!

On the programme:

The team will be showcasing its game and its see-saw in an area dedicated to games with 'alternative controllers'.

The game is a finalist for the IGF 'Alternative Controller Section' Award, which will be presented at the ceremony on 20th March (with a \$2,000 prize and a special trophy).

[People of the Moon](#) is a game created in 2019 by 5 first-year students on the Master's degree in Video Games and Digital Interactive Media programme at Cnam-Enjmin: [Maëlle Fanget](#), [Simon Giraud](#), [Morgan Jobbins](#), [Jeremy Guarober](#) and [Louis Le Gacq](#).
