

French National School of Video Games and Digital Interactive Media

ALT.CTRL.GDC 2024 FINALIST

'Round The Valley

'Round The Valley', a game created by first-year students on the Master's degree in Video Games and Digital Interactive Media (JMIN) programme (Cohort 19 / 2022-2024), is amongst the 20 finalists selected to take part in the [alt.ctrl.GDC](#) showcase!

This showcase, which highlights games with **alternative controllers**, takes place during the [Game Developers Conference \(GDC\)](#) in San Francisco from 18th to 22nd March 2024.

Over 5 days, the Game Developers Conference (GDC) brings together video game professionals from all over the world in the Moscone Center in San Francisco.

This unmissable event for companies working in the sector has been organised every year since 1988.
